SONG CYCLE

The North Carolina premier of a song cycle of three of my poems set to music by Dr. Thomas Swenson occurred in 2012 and was repeated in part in Oklahoma City in November 2012 by dramatic soprano Barbara DeMaio Caprilli who had previously performed one of the cycle songs (“Carolina Parakeet”) in Canada.

PRACTICE EXPERIENCE

The Fresh Market, Inc.

I served as Vice President and General Counsel of this high-end retail grocery store chain with approximately 7,000 employees and 95 stores in 19 states as of May 2010. I was the corporation's first in-house counsel and developed the corporation's legal department by recruiting, hiring, training and managing all members of the department (five attorneys and additional legal support staff). I served as liaison to the corporation's board of directors and shareholders. I oversaw all major contract negotiations including financing agreements and commercial leasing and real property agreements. I managed the corporation's litigation and compliance and policy issues and related training. I assisted in employment dispute resolutions (including EEOC, ADA and wage and hour disputes). I helped develop, manage and defend the corporation's intellectual property portfolio. I also oversaw the hiring, coordination and management of all outside counsel handling such matters.

Tuggle, Duggins & Meschan, P.A.

In the capacities of associate and then partner at this Greensboro, N.C., law firm, I acquired extensive experience in the following areas: commercial contracts, commercial leasing and real estate, other general corporate law, intellectual property law, and commercial bankruptcy law. I also assisted in commercial litigation and appellate practice.
