Bringing Race and Slavery Back into American Church-State History (work in progress)

The Supreme Court's current religious liberty jurisprudence ignores the colonial and antebellum history relating to the religious rights of African Americans.

Aunt Jemima's Resignation Letter, 121 COLUMBIA LAW REVIEW FORUM 186 (2021)

Public corporations have a responsibility to counter systemic racism and there should be a new system of accountability measures built on metrics, actions and enforcement.

The Religion of Race: The Supreme Court as Priests of Racial Politics, 2021 UTAH LAW REVIEW 569

The Founders created a national civil religion of racism. The Supreme Court's resistance to dismantling it after Reconstruction ushered in a contest shaping American racial politics.

Turning the Other Cheek: The Persecution of the Christian Minority, 26 FLORIDA JOURNAL OF INTERNATIONAL LAW 373 (2014)

The persecution of Christians in the Middle East and North Africa region is a violation of norms under international human rights laws protecting religious rights.

Corporate Personhood as a Badge and Incident of Slavery, in THE OXFORD HANDBOOK OF AFRICAN AMERICAN PHILOSOPHY (Timothy J. Golden, PhD, ed., *forthcoming* 2025–26)) (peer-reviewed, work in progress)

Corporations have a responsibility to remediate racial justice because the personhood status of corporations, and their attendant constitutional rights, is a badge and incident of slavery.

The Corporate Religion of Race, POLITICAL THEOLOGY (*forthcoming* 2024–25) (peer-reviewed, work in progress)

Dr. M. L. King's critique of racialized capitalism is the foundation for a political theology of the corporation. By adopting his philosophy, the corporation can move towards justice.

A Rock and a Hard Place: Interest Convergence for the Racial-Religious Minority, in RACISM AND RESISTANCE: ESSAYS ON DERRICK BELL'S RACIAL REALISM (Timothy J. Golden, PhD, ed., 2022) (peer-reviewed)

The history of denying Free Exercise rights to the racial-religious minority was reversed not on legal and moral grounds but on pragmatic considerations benefitting the majority.

Race and Secularism in America, 33 JOURNAL OF LAW & RELIGION 519–522 (2018) (book review) (peer-reviewed)

This collection of essays probes the secularization project of sanitizing religion in the public square and managing the religious practices, bodies and power of the racialized other.

The Religious Freedom Waltz: Going Forward While Moving Back, 8 CONLAWNOW 33 (2016–2017) (book review)

The effectiveness of the principle of neutrality in Establishment Clause adjudication is analyzed by comparing the works of legal scholars Andrew Koppelman and Steven D. Smith.

~ *Dissertation* ~

The Religion of Race: Disestablishing Racism from the American Experience (Apr. 16, 2018) (unpublished SJD dissertation, Faculty of the School of Law of Emory University (Atlanta, GA)) (on file with the Hugh F. MacMillan Law Library, Emory University) [*Advisers*: J. Witte, Jr.; M. Broyde; R. Franklin]

The growth and establishment of a national civil religion built on white supremacy explains the continued racism in this country, and only a true reformation will end it.

~ *Unpublished Work* ~

Defining the True Meaning of Racism: The Law & Religion of Colonial America, Parts I–III, Canopy Forum (Mar. 23, 2020) (digital publication)

The twin institutions of law and religion were influential in creating and maintaining the slave system, and thus provided the historical foundation for racism in America.
